Business Continuity Plan - Summary

MILAGRE's registered main office location is at 120 Bloomingdale Road, Suite 3400, White Plains, NY 10605 with local telephone number (914) 437-8066 and toll-free number (833) 464-5247.

Our business continuity planning ("BCP") first ensures the safety and security of our personnel. Secondly, quickly resume operations given the scope and severity of the significant business disruption ("SBD") by assessing financial and operational functions, protecting the firm's books and records, and allowing our clients to transact business.

MILAGRE developed its BCP to address internal and external disruptions in our business. Internal SBDs affect the firm's ability to communicate and do business (e.g., a fire in the building). While, external SBDs prevent the operation of the financial markets or a number of firms. An example is a terrorist attacks, a city flood, or a regional disruption. MILAGRE's response to an external SBD relies on other organizations and systems, including the capability of our existing custodian and clearing firm.

BCP in Action

Supervised persons may travel to the White Plains location by means of foot, car, train, and bus. All types of business and services provided by MILAGRE are performed from this location. If business cannot be conducted from the White Plains location, MILAGRE will conduct business from remotely from employee's home until we can resume business from our main office or establish an alternate location. Notwithstanding, your orders and requests for funds and securities may be delayed during this period.

Our BCP addresses: data back-up and recovery; mission critical systems; financial and operational assessments; alternate communications with customers, associates, and regulators; alternate physical location of associates; critical supplier, contractor, bank and counter-party impact; regulatory reporting; and our customers prompt access to their funds and accounts.
